

DCSD Continuous Learning Site for Students & Families:

<https://sites.google.com/davenport.k12.ia.us/dcsddistancelearning/home>

While all learning opportunities are voluntary, we encourage parents and students to take advantage of the instruction offered. As a result of this instruction being voluntary, no grades will be issued. During this time, our educators are committed to keeping children and teens academically and intellectually active. The teachers at your student's school have created Google classrooms for each grade level and course with daily learning activities. The Continuous Learning website has been updated with specific school course content and the opportunity for your child to interact with a teacher and gain feedback about their progress.

For those students and families who face barriers to internet access, hard copy instructional packets are available at any of the six DCSD meal sites. PreK– 8th grade student packets including ESL, Elementary Significant Disabilities, Secondary Significant Disabilities, and Internet Options flyers will be available and replenished as needed at the following meal sites:

ASC

Buffalo

Smart

Sudlow

Williams
